(949) 568 - 7720 | shirley.c.nguyen@gmail.com | [linkedin.com/in/shirley-c-nguyen](https://www.linkedin.com/in/shirley-c-nguyen)

## EDUCATION

---

### University of California, Riverside

10/20 – 12/22

*Bachelor of Science in Computational Mathematics*

*Cumulative GPA: 3.25*

- **Coursework:** Data Structures, Algorithms, Software Construction, Database Management System, Discrete Math

### Orange Coast College

08/18 – 05/20

*Associates of Science in Mathematics*

## SKILLS

---

**Programming languages:** C++, JavaScript, HTML/CSS, SQL, Python

**Frameworks and Technologies:** React.js, Git, GitHub

**Operating Systems:** Windows, Linux (Ubuntu)

## PROJECTS

---

### Personal Website

*React.js, HTML, CSS, JavaScript*

- Designed and developed a portfolio website using HTML, CSS, and JavaScript to showcase basic information and projects
- Created a professional and well-designed website that effectively showcases skills and projects

### Weather App

*React.js, JavaScript, HTML, CSS*

- Created a weather app using React that displays the current weather based on user-input of a city. Utilized an API to fetch weather data
- Built a functional weather app that allows users to see real-time weather data from any city

### Connect 4

*C++*

- Developed a game of Connect 4 with easy and hard modes in a group project setting. The hard mode uses an algorithm that guarantees a win for either the player or the program, depending on who plays first
- Contributed to the development of a fun and challenging game that showcases problem-solving and teamwork skills

## OTHER EXPERIENCE

---

### Chick Fil A

09/2020 – Present

*Manager and Trainer, Culture Committee Member*

Redlands, CA

- Trained new employees on restaurant-specific positions based on established guidelines and reported training results and progress to upper management
- Provided exceptional customer service by resolving issues in a timely manner through actively listening and appropriately responding to facial expressions, body language, and tone of voice
- Exhibited eagerness to be cross-trained in multiple new positions to help facilitate business operations in times of limited staffing
- Established trust between fellow colleagues as a culture committee member through having strict confidentiality while discussing workplace concerns
- Utilized position as a culture committee member to properly address workplace concerns, leading to a positive and collaborative team environment
